Be Vedetta: Adult-only gay-friendly Relais & Glamping in Tuscany | Review

Gay couple hotel review of the adult-only luxurious accommodation in Italy: BeVedetta Relais & Glamping in Tuscamy. Our trip to Italy - to Scarlino, Maremma, to be exact - felt like a trip back to the origins of our travel adventures together as a gay couple of men. Close to nature, fantastic views, LGBTQ+ friendliness, and a sustainable focus for the future. And even though we've learned over the years that a touch of luxury is part of a wholesome vacation for us, sustainable harmony with nature is (became) especially important to us. The gay-friendly accommodation is located high up on a hill overlooking the sea. It was just the right place to experience this symbiosis on vacation, far away from the stress of everyday life. Enjoy our photos, the story about Scarlino, and our LGBTQ+ welcoming and gay-friendly Couple of Men "Be Vedetta Glamping in Tuscany, Italy" hotel review!

But before we were to move into our little retreat surrounded by incient alive trees, we packed our suitcases onto the electric vehicle to head unbill to the main
